A NEW AGE OF

LUXURY

BEGINS.

BEYOND THE LEGEND.

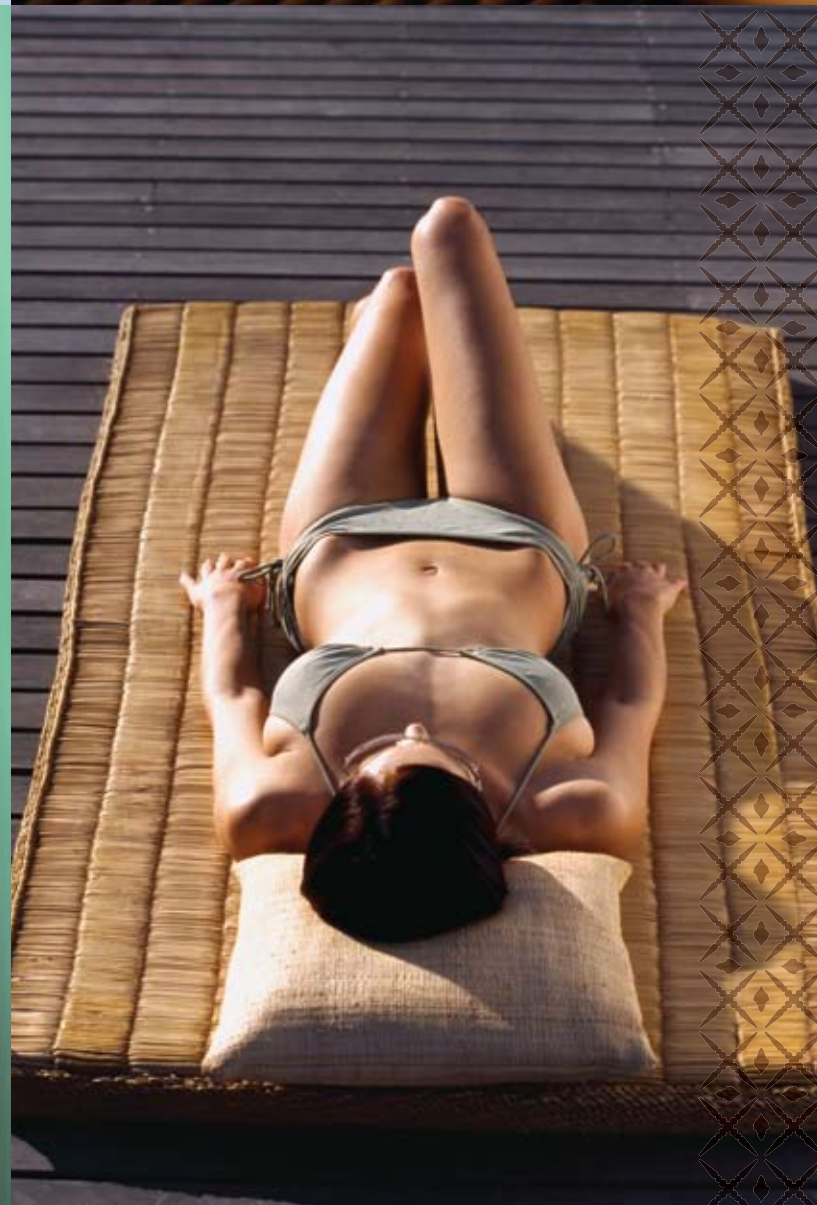

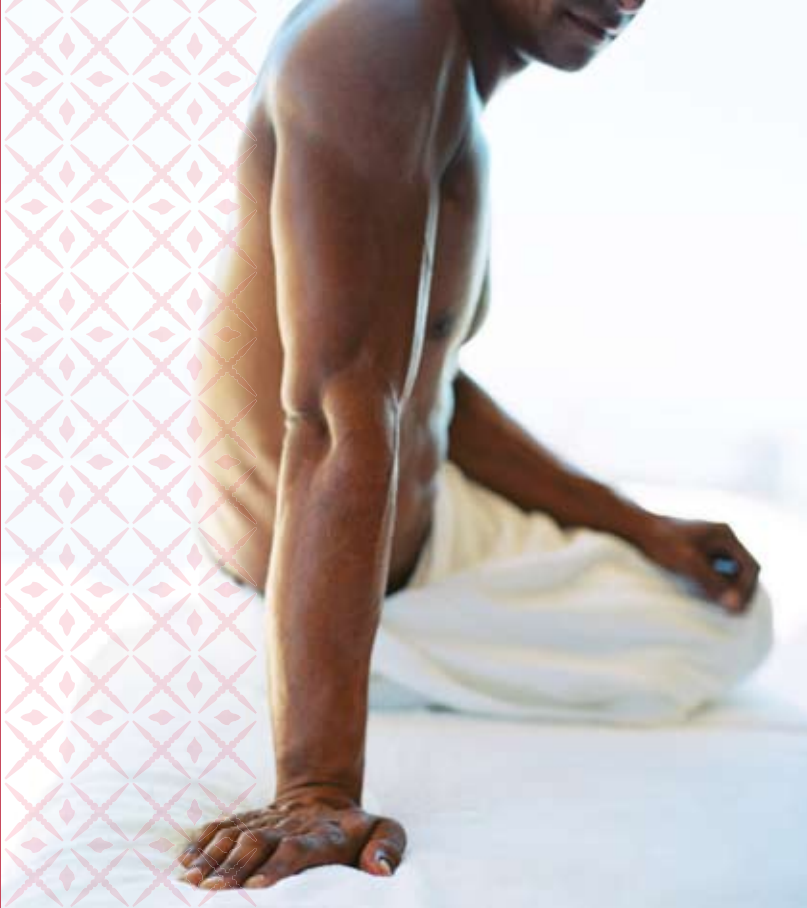

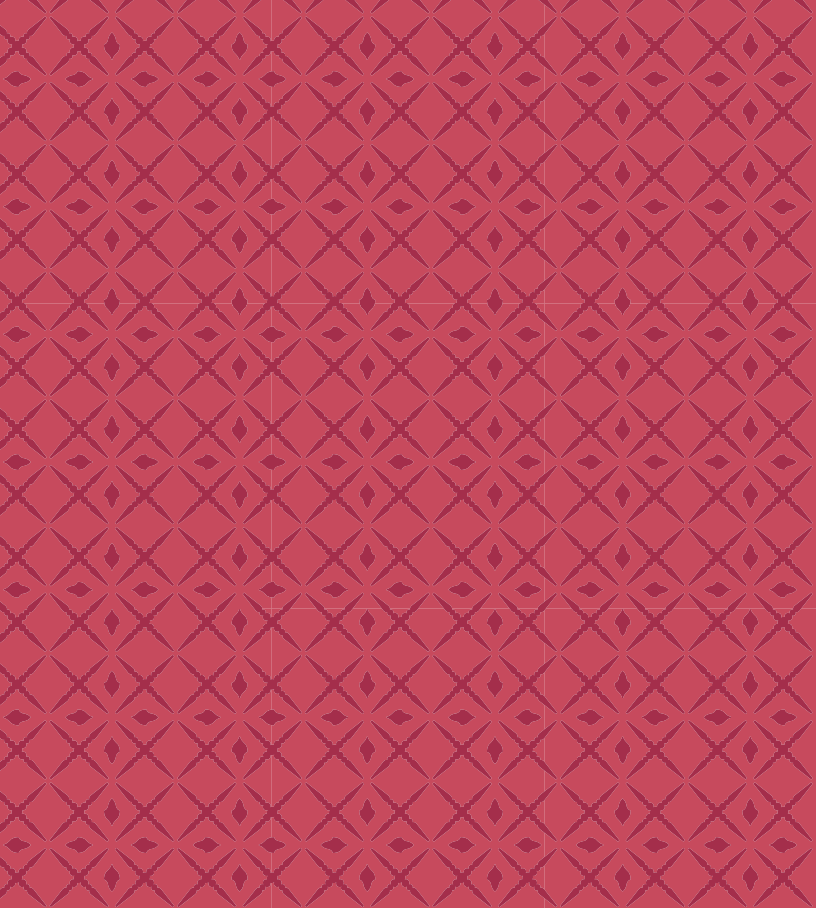

From the moment it opened its doors on a pristine expanse of Waikīkī Beach, The Royal Hawaiian became a magnet for elite guests from around the globe, its enveloping pink glow expressing the radiant beauty of Hawai'i's spirit and the essence of indulgent escape.

In 2009, The Royal Hawaiian will once again set the standard of exclusivity for a style-conscious global clientele. While retaining the legendary splendor of the property's original grandeur, the new Royal debuts with an unprecedented commitment to personalized service, along with a decidedly chic disposition... always smart, occasionally whimsical, and undeniably alluring.

UNEQUALLED. UNRIVALED. UNPRECEDENTED.

More than a luxury resort, The Royal Hawaiian is a lifestyle destination – mirroring the quiet confidence and impeccable standards expected by discerning travelers. Creating a connection to our rich Hawaiian culture, it is a place quite unlike any other... welcoming, yet exclusive... relaxing, yet invigorating... contemporary, yet steeped in timeless glamour.

From a complete re-imagining of its common areas to a dramatic restyling of each and every guest accommodation, from flawlessly personalized services to Waikiki's most imaginative gourmet dining, The Royal Hawaiian has set an entirely new standard in luxury along one of the world's most famous stretches of sand.

A close-up, low-angle shot of a woman with long, wavy brown hair, looking upwards and to the left. She is holding a large, vibrant pink flower with green leaves near her face, as if smelling it. The lighting is soft and warm, highlighting her features and the texture of the flower. The background is blurred, showing more greenery.

ARRIVAL. IN STYLE.

Stepping into the sumptuous embrace of the grand lobby, your senses are immediately engaged and rewarded. Breathe in the intoxicating scent emanating from the flower lei draped on your shoulders. Dispel any lingering stress with the invigorating chill of an oshibori towel, along with your choice of freshly squeezed island fruit juices.

Prior to a refreshingly civilized, seated check-in, you may find the fragrant trade winds teasing you onto the quiet repose of the Coconut Grove Lanai, although few can resist the pull of Waikīkī's famous expanse of shimmering cobalt, perfectly framed by the receding arches of the Grand Hall.

EXCLUSIVITY. ON A WHOLE NEW LEVEL.

Among the resort's most extraordinary new features are the inimitable Royal Beach Tower and Spa Suites. Creating an indulgent "hotel within a hotel," these rare accommodations elevate escapism to an entirely new echelon.

Guests residing in the Royal Beach Tower and Spa suites are greeted by a dedicated Tower Concierge, who will attend to their every need. The expansive suites are lavishly appointed and immaculately detailed, and offer the previously unimaginable pleasure of an in-room spa experience.

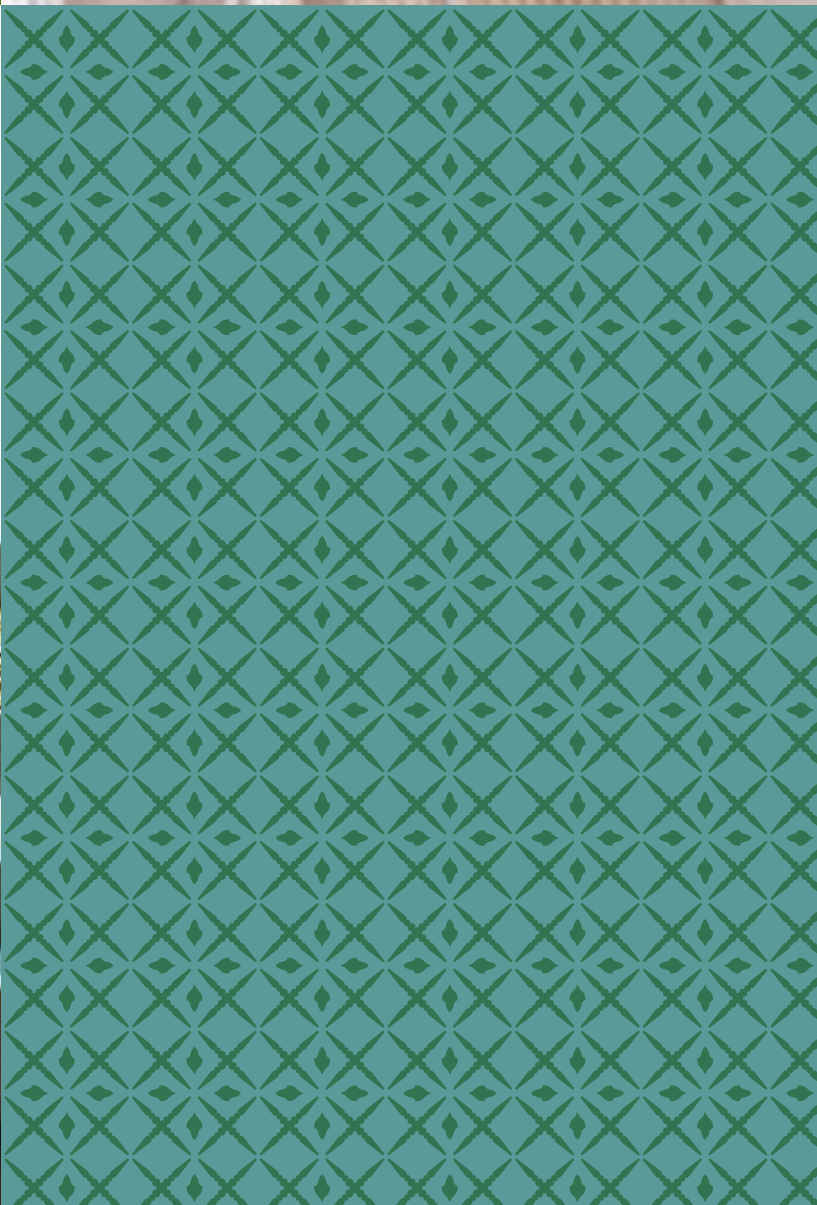

Equally luxuriant is the magnificent Royal Beach Club. The exquisite, intimate oasis beckons with silkily clad beachside cabanas and a host of refreshing amenities. And in the evening, the area is transformed into an enchantingly romantic enclave, caressed by ocean breezes, and illuminated by a galaxy of candles.

SERENITY IS YOURS.

You awake with a knowing smile, quietly thrilled with the expectation of a day without limits. Drawing open the curtains to bathe in the luminous morning light, you consider the most difficult decision of the day – pool or ocean?

Granted, calling it a “pool” hardly seems fair. What you find is a sparkling oasis of serenity, ringed by inviting lounge chairs, and dotted with luxurious, well-appointed cabanas featuring exclusive servers always at the ready with a frozen cocktail or head-to-toe spritz. All this, with nothing between you and the horizon but the soft white sands and gentle waters of Waikīkī.

Those seeking a respite from the afternoon sun may choose to explore the many pleasures of the newly expanded, world-famous Abhasa Waikiki Spa. Should you find the options overwhelming, we recommend a soothing massage in a private cabana under a canopy of coconut trees and tropical blooms.

INDULGE EVERY SENSE.

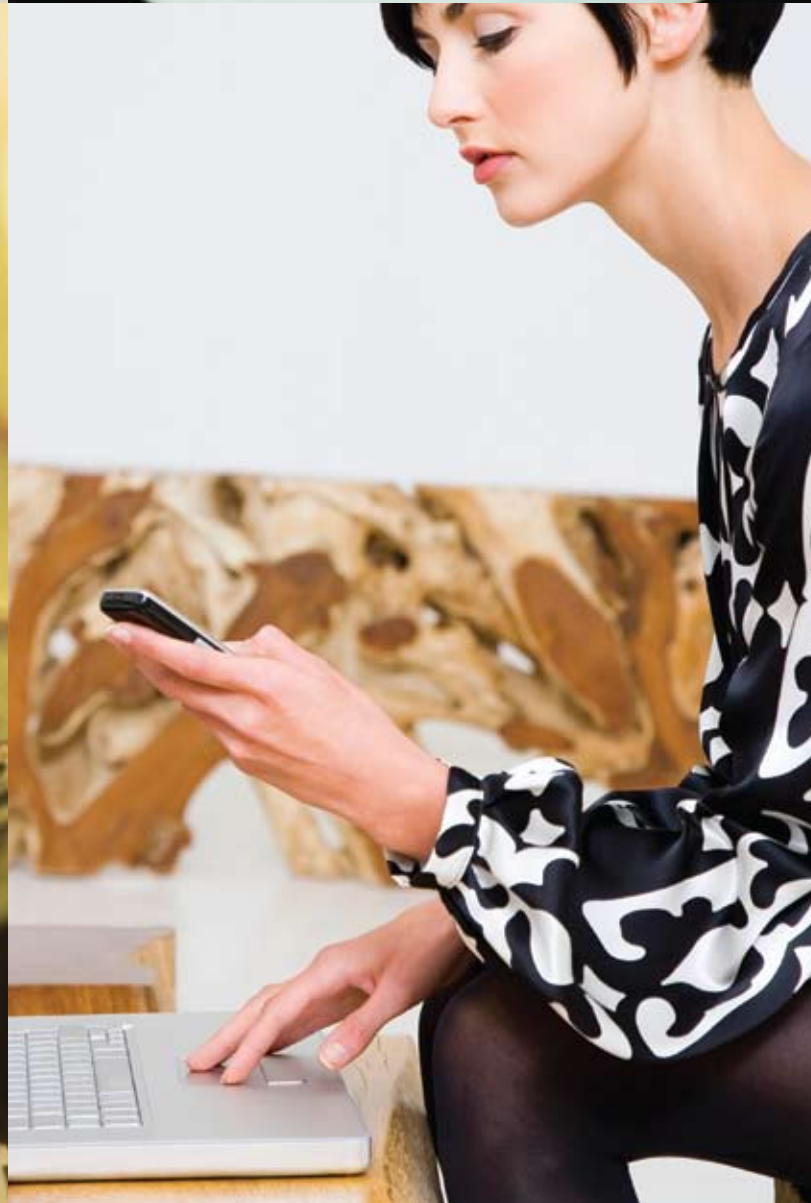

It has been said that to truly understand the nature of a place, one must experience its food. You will confirm the wisdom of this adage at Azure Restaurant, an extraordinarily refined, dinner-only destination featuring seafood expertly hand-picked by our chefs at daybreak from the Hawai'i fish auction.

You will find the Surf Lanai an ideal location for al fresco breakfasts and delightful lunches, along with mesmerizing ocean views and equally impressive service. And, for afternoon libations or sunset conversation set to a soundtrack of live music, the celebrated Mai Tai Bar is irresistible.

MAKE EVERY MEETING HISTORIC.

Guests attending meetings and conferences will be delighted to find the legendary Monarch Room has been re-established as the island's elite event space, inspired by the resplendent glory of the original Persian Room. Opulent and unequaled, it offers breathtaking views of Diamond Head and the sparkling Pacific Ocean. The magnificent Regency Room is also completely revamped and available for groups of up to 700. The spectacular Ocean Lawn, the Monarch Terrace, and the 56,000 square foot Coconut Grove are perfect for unforgettable outdoor functions. For more intimate gatherings, the elegant Board Room and the captivating Royal Garden at Helumoa are matchless.

It has been said that The Royal Hawaiian is the place where the world first fell in love with Hawai'i. Now, 82 years later, a new romance has sparked. Come discover a legend in a whole new light.
